

Claims 1-4, 6-9, 13-25 and 30 are readable on the specific structure disclosed in Figs. 1-6, though it should be recognized that various of the other (dependent) claims recite detailed improvements which (though specifically illustrated in one or more of Figs. 7-10 and not in Figs. 1-6) are disclosed in the written specification as being usable with the structure of Figs. 1-6.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
